Dear Matthias,

Many thanks for this email and revision. I am happy to accept the revised timber door, and withdraw our objection to the original application (metal door).

Best wishes, and thanks for your work on this application,

Dear Richard Simpson

Please find attached the revised drawing for the replacement of the timber door with a new timber door, instead of a metal door.

I would very much appreciate your feedback on this, and if you are satisfied with the amendments, to confirm that you are happy to withdraw your objection.

Many thanks

Matthias Gentet
