Application No: 2016/1218/T
Consultees Name: Thea Chiarini
Consultees Addr: 25 Arkwright Road
Received: 10/03/2016 18:38:45
Comment: COMMENT
Response: I have looked up the documents of this application and there is no map, nor explanation. Only a very unclear letter. Please provide explanation as to which tree is proposed to be cut. We live next to this property and we would like to understand properly the works proposed.
In the present conditions, which is, with no map, nor explanation provided we do not think this request can go on. Kind regards
