This still stands.</p> <p>a) The lack of privacy to all neighbouring homes on all sides.</p> <p>b) The proposed extensions are very much out of character to the surrounding areas.</p> <p>c) This is supposed to be a home and not a grand chateau, which appears to be growing by the minute.</p> <p>d) Also to be carefully considered - is the over development -the blocking of light to some of the established homes.</p> <p>e) Lastly, when will, this end? I hope for everyone's sake this is turned down. Please consider the residents that already live hear.</p>
