

Dear Jonathan

Re: 26 Penning Road NW3 1SU

Ref: 2015/3593/P

Please could you accept this
late objection from my neighbour,
Clive Newson, of 28A Penning Road.

He lost his wife on 29th
February ²⁰¹⁶ and is in mourning. Clive is

91 years old and I fear any basement
excavation will have a very detrimental
effect on his physical and mental
health, particularly given his recent
bereavement. He tried to lead this to

you by email but failed so he asked
me to put it to you. Please could you
upload it on-line at cashin
receipt to me at [REDACTED]
[REDACTED] so I can keep alive
interest.

Very many thanks

And all kind regards,
John Hare
