

24 Salcombe Lodge, 1 Lissenden Gardens, London NW5 1LZ

7.3.16

Planning App. Ref 2016/0758/P  
17 Boscastle Road NW5 1EE

Comments

The impact of the new use of the proposed building is to free up a large family house for housing stock, while an elderly couple downsizes into their own garden.

The building will have full disabled access, and is single storey - on the site of existing single storey garages.

Building work would have access from Boscastle Road & would not affect the Mews. The new design is architecturally highly superior to the existing garages.

Jennifer Anderson (Mrs)
