Your comments on the planning application

As a professional musician I strongly object to this proposal. It would mean a severe loss of earnings for myself and indeed thousands of musicians from all over the world as the studios would have to close for at least six months. It would cause havoc with the traffic in the area not least causing severe problems for the hospital. There is risk to two listed buildings. There is underground water risk and it is totally inappropriate to take any unquantified risks.
