Your comments on the planning application

I completely object to this planning application for a number of reasons. I am a self-employed musician and work frequently at Air Lyndhurst recording studios. The studios would have to close for a minimum of six months if this application goes through which would mean a severe loss of work for thousands of musicians from around the world. There would also be severe traffic implications, risk to two other listed buildings, an underground water risk. I believe that all the potential risk implications would be wholly inappropriate.
