Your comments on the planning application

To build a new residence in the middle of a sylvan area of gardens and small garages would be travesty of all that the Grade 11* surroundings and the Dartmouth conservation area represent.

The location, facing down the mews entrance makes the proposal even worse.

It seems vehicle access to the garages would be further restricted.

A dwelling, the size of the proposal will be highly inappropriate in relation to the modest surrounding structures.

The precedent - to develop the Mews for residential purposes seems to potentially spell the end of the historic character of the Mews and surrounding gardens.

This proposal should be roundly rejected.
