Dear Mr Peres Da Costa

I refer to my e-mail of 23rd December and your reply of the same date.

So far as I am aware, the only document that has been made available since then has been the Flood Report, so I can only assume that the other matters are still unanswered.

As I have previously mentioned, our Consultants are awaiting to see the balance of the information to enable them to comment.

Since the application has been put in planning permission has been granted for two semi-detached houses with basements at 25 and 26 Redington Gardens and a planning application has been made for a further house and basement at No. 24. I trust these facts will be taken into account in considering this application.

Regards

Philip Beckman
