YOUR COMMENTS ON THE CASE

Kilburn High Road does not need another betting shop.

Such businesses attract antisocial behaviour in and outside such premises and we as local residents have had enough of having to respond to the inflammatory manner in which both Camden and Brent council persist in considering putting yet more betting shops on our high road.

Please help stop the misery caused by such premises to individuals and families that live alongside/close to these business. Betting shops do nothing for local community other than bring devastation to the lives of individuals and their families who are unfortunate to become ensnared in the betting habit very often because of an unbreakable downward spiral of financial desperation.

Below is a list of the type of issues we as locals have had to put up with at Kilburn High road betting shop premises:

- Many antisocial incidents with the "customers"
- Crime and Disorder inside and outside
- Stabbings inside and outside
- Bottles being thrown inside and outside premises
- Assaults on Passers by
- Abusing and Threatening staff of local businesses - making it difficult to recruit and retain staff
- Abusing and Threatening Local Residents and Passers by
- Persistent loitering near or in front of business premises during and after business hours
