YOUR COMMENTS ON THE CASE

BEST object to this application on the grounds that the Kilburn High RD already has an "over supply" of betting and gambling outlets. Our residents already experience anti social behaviour (I think you have a USA spell checker) associated with similar such outlets in the area. This proposed site of this shop is next to M&S and as such is frequented by families including young children. Should this shop go ahead they will no doubt be exposed to ABS. WE consider it will adversely effect the footfall on this stretch of the High RD. We also fear the corrosive effects of allowing an increase in the number betting, gambling and especially more fixed odd betting machines outlets will have on a relatively economically deprived area such as Kilburn.
