Dear Mr. Martin,

**13 Hampstead Lane, N6 4RT, REF: 2016/0324/P**

You may be aware that The Highgate Society holds a planning surgery every Saturday morning at our HQ at 10A South Grove

Last Saturday we were visited by the Leaseholder of the Ground Floor Flat at this property. She was extremely concerned about the effect the flat roof immediately outside her rear window would have on her security and privacy. The sedum roof would need maintenance and may without it in any case look very unappealing. She was equally concerned the light pollution from the rooflights would affect her amenity in her flat. We consider this light pollution in an oasis of greenness would be contrary to policy.

It has been a failure of communication on our part which has led to Ms. Blackshaw's submission for this application not including these comments. We apologise for this and trust that we are not too late to add these further comments.

Yours sincerely,

Gail Waldman  
for and on behalf of The Highgate Society Planning Group
