GREEN ROOF DETAIL 1:20@A3

MAINTENANCE OF SEMPERGREEN® SEDUM-GRASS-HERBS-WILDFLOWER BLANKETS

Sedum-grass-herbs-wildflower blankets require only minimal maintenance provided the green roof is built up and installed correctly. The above build-up requires the following maintenance by the building owner / user:

- Inspect roof once every 6 months.
- Removal/Control of undesirable plant species – Including weed species and correction of plant ratios to improve aesthetics and functionality.
- Correction of any localised plant system problems – such as pests and diseases.
- Checks on waterways and gutters – carried out every visit to make sure drainage is not impeded thereby having a detrimental effect on the planted system.
- Removal of dead flower heads – for aesthetic benefit primarily, dependent on client requirements in relation to biodiversity benefits.
- Re-forming of pebble/shingle margins and fire breaks – carried out every visit.
- Fertilise at least once or twice a year. Fertilise the Sedum roof with Sedum Power (quickaction fertiliser) in early spring (April) and with Sedum Blend (long-acting fertiliser in the fall.
- Replenishment of any areas of settled substrate.
- If necessary, fertilise again with the long-acting Sedum Blend fertiliser in June. This will help the Sedum-grass-herbs-wildflower roof to flower longer.

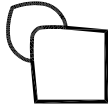

Sempergreen® %Wildflower blankets

1. Agrimonia eupatoria
2. Agrostemma githago
3. Anthemis arvensis
4. Anthyllis vulneria
5. Campanula rotundifolia
6. Centaurea cyanus
7. Centaurea nigra
8. Centranthus ruber
9. Chrysanthemum segetum
10. Echium vulgare
11. Galium verum
12. Hypericum perforatum
13. Knautia arvensis
14. Leontodon autumnalis
15. Leontodon hispidus
16. Leucanthemum vulgare
17. Linaria vulgaris
18. Lotus corniculatus
19. Malva moschata
20. Matricaria recutita
21. Origanum vulgare
22. Papaver rhoeas
23. Plantago media
24. Primula veris
25. Prunella vulgaris
26. Ranunculus acris
27. Ranunculus arvensis
28. Ranunculus bulbosus
29. Reseda lutea
30. Sanguisorba minor
31. Sedum acre
32. Sedum album
33. Silene noctiflora
34. Silene vulgaris
