RE PLANNING APPLICATION REF: 2015/6775/P
Installation of CCTV System.

Dear Sir,

Oakshott Court is un gated and we have therefore been subjected to many long periods of anti-social behaviour, which have resulted in serious disruption to our lives. We have gone for months without a proper nights sleep because of multiple incursions by gangs of youths etc; it would take a very long time indeed to itemise the many problems we have suffered due to a.s.b., but suffice it to say that living on the open podium seating area, we are particularly vulnerable. We would, therefore, very much welcome an extension of CCTV facilities on Oakshott Court.

Yours faithfully
