Your comments on the planning application

I strongly object to this application for the extension works to the Bonnington Hotel , Not only will this affect all residents in the area , with Noise , Design and Height issues leading to loss of light of 32 old gloucester Street , it will also encroach on the privacy of all tenants in the block , Also I am sure you are more than aware that the area of Bloomsbury is in the conservation zone , as well as the Bonnington hotel being a listed building . It was only a few years back that there were major works to the Bonnington (some of which went ahead without gaining planning permission for the works) which affected and encroached

on the building of 32 Old Gloucester Street. of which i have solid proof . There was also no consideration with regards to working hours, of which often started way before 8 am in the morning . Around 10 years ago the Bonnington actually built an additional 3rd and 4th floors to the rear of the building, so why are they wanting to knock that down and re-build. The block and back garden area lost so much light during that build, and It would be a complete disaster to this lovely conservation area that has so much history if you let this go ahead just because it is owned by the Hilton Group. It is about time that Camden council for once ,thought of the tenants of the area , rather than build build build for corporate companies to make more money , there is just no need for this with the Bonnington.THINK OF OUR RIGHTS AND YOUR OBLIGATIONS
