Subject: 8 Prince Albert Road 2016/0930/L: ADVICE from Primrose Hill Conservation Area Advisory Committee

Dear Sarah, Here is our advice. Please email me if you wish to discuss. Best wishes, Richard.

ADVICE from Primrose Hill Conservation Area Advisory Committee
12A Manley Street, London NW1 8LT

3 March 2016

8 Prince Albert Road 2016/0930/L

No objection in principle. However, we request that the proposal to remove the double doors in the partition between the front and rear reception rooms at first floor level, which is an original feature of houses of this type, be amended to enlarge the width of the opening by using double paired folding doors with parliament hinges. This would enlarge the width of the opening but retain the significance of the opening with doors which reflected the varying use of the rooms, for both private, and larger social use.
