The Council has considered your application and decided to grant permission.

Informative(s):

- 1 This application seeks to partially discharge condition 3a, b & c in relation to part of phase one (Blocks A and B1). Details to discharge the condition for the remaining part of the phase 1 (Blocks B2 and C) and the whole of phases 2 and 3 of the development are still outstanding and will be submitted at a later date.

Condition 3 requires details including window sections, external doors, balconies, balustrades, communal entrances, screens, gates, parapet/eave junctions and external material specifications. All of which have been provided, the development is also nearing completion so the details were available to view on site in situ.

The proposed materials and detailing submitted are considered to be high quality and satisfactorily respond to the original design intention. The proposed materials are considered to be appropriately contextual and will ensure the integration of the new building within the surrounding environment. The details submitted are considered satisfactory to meet the requirements of the condition and can be discharged.

A site visit carried out on 25th February 2016 with the Council's design officer demonstrated that Phase 1 of the development is nearing completion and has been finished to a very high standard, in accordance with the submitted details.

Therefore conditions 3a, b and c can be partially discharged in relation to part of phase 1 of the development only (Blocks A and B1). Conditions 3a, b and c are still outstanding for the remaining part of phase 1 (Blocks B2 and C) and the whole of phases 2 and 3.

The proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4 and 7.6 of the London Plan 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56 -66 of the National Planning Policy Framework.

- 2 You are advised this approval is for details of part of phase 1 (blocks A and B1) of the development. Condition 3a, b and c is still outstanding for the remaining part of phase 1 (blocks B2 and C) and the whole of phase 2 and 3 of the development and details must be submitted to and approved by the Council.
- 3 You are reminded that part of conditions 3 (detailed drawings), 5 (privacy screens), part of 6 (overlooking measures), 7 (waste storage), 9 (cycle parking), 11 (electric vehicle charging points), 16 (vibro-compaction machinery), 19 (sound insulation), 24 (basement construction), part of 25 (contaminated land), part of 26 (biodiverse

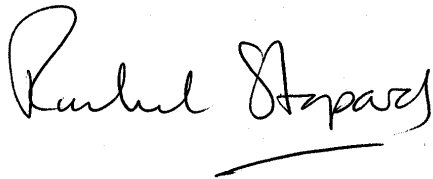

living roofs), part of 27 (bird and bat measures), part of 28 (lighting strategy), part of 32 (building foundations), part of 34 (sustainable urban drainage), 36 (CCTV), 37 (car-club), 40 (re-appraisal of financial viability), 43 (energy efficiency), part of 44 (code for sustainable homes), 46 (travel plan), 47 (CMP phase 2 and 3); 48 (off-site garage spaces), 49 (Burmarsh workshop refurbishment works) and 60 (replacement tree planting) of planning permission 2012/6338/P granted on 25/04/2013 (as amended by planning permission 2015/1189/P) are outstanding and require details to be submitted and approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
