Subject: Planning application. For 337

Dear Sir/Madam,

I understand that a planning application has been submitted for a new shop front to be installed at 337 camden Rd.

I am a resident in the local area. This new instalation and the future extended restaurant opening hours coupled with another establishment planning to sell liquore in the local area will be a complete distraction and as a resident we don't need any disruptions to our livelihood.

Please reconsider your stance when allowing permission for this matter and will appreciate that you consider our concerns seriously.

We kindly and humbly request you to not to grant application first this matter.

Kind regards

Yours Sincerely

D. Rana
