2016/0758/P	John Chamberlain	11 Grove Terrace London NW5 1PH	17/03/2016 21:53:57	OBJ	<p>I am writing to ask you to refuse the planning application for the new house in the garden of 17 Boscastle Road. I support the objections of the Grove Terrace Association and others. Specifically:</p> <p>The proposed new building would ruin the character of a unique remnant of Georgian London.</p> <p>It would cause large loss of amenity to neighbours in Grove Terrace and Boscastle Road.</p> <p>It would create a dreadful precedent</p> <p>It is unclear that the applicant has any right of access to the property</p> <p>It would not meet the purported needs of the applicant as the access (if allowed) would be via a cobbled and gravelled private lane, quite unsuitable to a disabled person.</p> <p>There is no public benefit - the proposed house would not add to the supply of affordable homes.</p>
