Your comments on the planning application

Dear Sir/Madam,

I write to object to the planning application on the above property. This building construction would have a massively detrimental effect on the livelihoods of hundreds of professionals that work at the next-door 'Air Lyndhurst Studios'. These studios service both the British and U.S film and music industries, and if the application goes ahead on the above address, so many of us working at the studios would suffer with a dramatic loss of income. Yours Sincerely, James Shearman FRAM
