2016/1242/P	Simon Burbidge	160B Camden Road Camden Town London	20/03/2016 13:07:49	OBJ	I object to this application. The proposed change to a 2 bed flat is not appropriate for the building. The building is constructed right to the boundary of the property and will overlook our garden , spoil our privacy and will lack light. Current usage as a workshop has frosted glass windows which do not open, and this preserves our privacy and boundary line.
