Subject: Flat D, 12 Dennington Park Road - Ref: 16/0838/P

Dear Sirs

I write further to the planning notice for proposals at flat D, 12 Dennington Park Road with reference 16/0838/P and make my comments as an authorised agent of the property located on the 1st and 2nd floors of the rear annex and held on a long lease by the London Borough of Camden and known as Flat B, 12 Dennington London, NW6 1BA.

The comments made within the pre-application dated 10 December 2015 have been noted and do not at this time have any further comments in relation to the aesthetics and use of the property post refurbishment. We would however request that, should permission be granted, the London Borough of Camden and/or its tenant of the long lease property are notified with reasonable notice of the works and/or are served with statutory notices.

Regards
