Drawing Nos: 1505_L511 B, 1505_L211 A, 1505_L112 A, 1505_L111 A, 1505_L511EX A,

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans 1505_L511 B, 1505_L211 A, 1505_L112 A, 1505_L111 A, 1505_L511EX A, 1505_L201EX A, 1505_L112EX, 1505_L111EX A, Location Plan.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The size, scale, bulk and design of the proposed single storey rear extension is considered to form a subordinate addition that respects the character and setting of the host and neighbouring properties. The proposals limited visibility would also ensure no significant impact to the appearance of the surrounding conservation area would occur as a result of its development.

Although the proposed first floor extension would project 4.75m beyond the nearest first floor window at No.54 Leverton Street, it is considered not to have a significant impact on neighbouring amenity as this window serves a staircase between the ground and first floors of the property and would not result in the undue loss of light or outlook to a habitable room.

It is noted that a development of similar size and design was approved, but not implemented at No.58 Leverton Street in 2012 (ref: 2012/5629/P).

No objections were received following statutory consultation. The sites planning history and relevant appeal decisions were taken into account when coming to this decision. Special regard has been attached to the desirability of preserving or enhancing the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2015, consolidated with alterations since 2011; and paragraphs 14, 17, 56 -66 and 126-141 of the

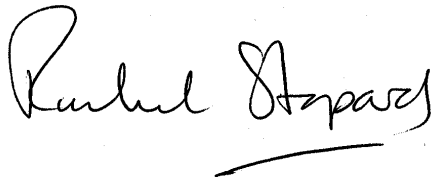

- National Planning Policy Framework.
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
