Your comments on the planning application

Having lived in this area for many years, previously on Cannon Place itself, I have long been disappointed that a post war extension to number 17 Cannon Place was ever allowed. The extension as it stands is ugly, out of place, and robs both light and lines of sight along the back gardens of Cannon Place.

For this reason, I object to the Upper Ground Floor being extended to match what is already a bulky, ugly add-on. It would be out of character with the other properties, and remove historic sight lines, as well as robbing light from the

Dear Alexander Bagley,

Thank you for taking the time to write to me and address each of my concerns. Having read your letter I no longer object to the proposed plans. I appreciate that the building works will be taking place during normal hours, minimising noise disturbance. Having now seen diagrams of the roof terrace as well as your explanation of intended use, I am no longer as concerned about privacy/noise issues.

I really do appreciate you clarifying everything, unfortunately on the planning application site and the original letter that I received this was not made clear!

I wish you success with the works,

Yours Sincerely,

Sophia Goslitski
