Dear Ms Oluwaseyi Enirayetan,
Sorry for my phone being out of contact. I am in China at the moment and will be back to UK on 14th of April.
Thank you for your E-Mail of 17-3-2016. Please take this E-Mail as a confirmation that we will follow your advise and reduce the illumination and limiting it to only No.28 and Thames on the Chalk Farm RD. elevation while the Buffet restaurant on Chalk Farm Rd. and Hartland Rd. be non-illuminated.
Kind regards

Alan Yeung

Dear Mr Yeung,

I tried to reach you but your phone was switched off.

I've assessed your application and visited the site and surrounding areas for a better picture, and we think that the although it's only the letters that would be illuminated, the letters on the fascia on both elevation is a lot. I am therefore writing for the possibility of reducing the illumination limiting it to only No. 28 and Thames on the Chalk Farm Road elevation while the 'Buffett restaurant' on Chalk Farm Road and signs on Hartland Road be non-illuminated.

I will be leaving the office at 4pm today and back in the office on Monday. If you would like to discuss further, I'm happy to.

Kind regards,

Oluwaseyi Enirayetan
