2016/0756/P	Chris Gregory	Flat 3 35 Fortess Road NW5 1AD NW5 1AD	28/03/2016 13:58:50	OBJ	<p>The application is misleading. The 2 x 1 bed flats are actually studios as is clearly visible on the plans.</p> <p>The size of the two 1 bed/studio falls short of Camden's own recommendations for size where two people occupy (41 and 42 approx vs recommended 48). Documentation states that they intend the properties to be 1b1p.</p> <p>There is no provision for cycle storage.</p> <p>There is no indication of how residential waste and recycling will be stored. There appear to be no exterior area for provision of waste receptacles.</p>
