2016/0941/P	Doris Eames	Flat B 140 Iverson Road London NW6 2HH	29/03/2016 22:28:12	COMMNT	I write in connection with the above planning application. I have examined the plans and I wish to object to the inclusion of a skylight in the proposed living room area which will be directly underneath our bedroom window, we believe this will impact on our ability to sleep at night when the light is switched on especially during the winter months. We have no further objects with the planning application made.
