2016/0321/P	Jamie	Flat 10 1 Little Russell Street Bloomsbury London WC1A 2HR	31/03/2016 00:36:07	COMMNT	I very much object to these plans. These are the same ideas that this property developer put forward before and which the community managed to overturn as we didn't want this type of project in a residential area and objected to the disrespectful way in which Mr Patel has treated his Georgian House and the history of which it was a part before he gutted and completely corrupted it.
