2016/0626/P	John D.Marr	324A West End Lane London NW6 1LN	31/03/2016 20:10:40	COMMEM AIL	I own the flat at 324 West End Lane which is on the 2nd and 3rd floor.I have a very good relationship with Mr. Carmelli and yesterday I jnvited him into my flat where I raised my concerns about losing natural light should the proposed project go ahead.Apparently nothing as yet has been finalised but I am hoping that you can provide someone who could give an informed and definitive response to my concerns a.s.a.p. Can this be arranged,please?
