Dear Sirs,

Town and Country Planning Act 1990
Flat 33, Nigel Building, Portpool Lane, London EC1

We enclose drawings and listed building application for our proposed minor internal alterations to the flat at the above address.

We understand that the London Borough of Camden are the freeholders of the building and we therefore enclose Notice Under Article 6 (General Development Procedure) Order 1995 and would be grateful if you would pass this on to your Leaseholder Services Department for their comments and approval.

We also understand that as this is an application for a listed building there is no application fee and if you require any additional information please contact us.

Yours faithfully

Roger Myers
