Your comments on the planning application

I am writing to support the planning application in the strongest terms. Kings Cross Station is hardly the most attractive of buildings, and the market greatly enhances an otherwise drab and uninspiring area. The vibrant market brings the opportunity to purchase a wide range of high quality artisan goods at a reasonable price, and contributes to the regeneration of the area. The market also provides much needed part time employment to a number of people and would be greatly missed by locals and commuters alike.
