Dear Mr Hope

**Arrangements for Handling Heritage Applications Direction 2015 & T&CP (Development Management Procedure) (England) Order 2015  
ALL HALLOWS HOUSE , 15 FITZROY SQUARE , LONDON , W1T 6EF  
Application No 2016/0028/L**

Thank you for your letter of 11 March 2016 notifying Historic England of the application for listed building consent relating to the above site.

In our view the information that you have sent with the notification letter is insufficient for us to assess the effect of the proposal on the significance of the application site. This is particularly in relation to the proposed lift, which appears to have a significant impact upon principle rooms at and first floor levels, which are likely to contain original fabric of architectural and historic importance. We would therefore like to arrange a site visit before commenting on this application.

In order to maximise the benefits of the visit it will be preferable if we can meet the planning authority case officer and the applicant (or agent) at the site. We will contact you shortly to confirm the arrangements.

Following the site visit, we shall need to allow sufficient time for us to comment again before the application is determined. It would therefore be helpful if you could let us know the deadline for receiving our advice following the site visit.

Yours sincerely

**Claire Brady**
