

**Shopfront Works**

- Retain left hand entrance to offices above and clean sashwork only.
- Contractor to decorate all pilasters and top fascia to standard 'Rymans,' RAL 7005 Graphica Grey.
- Contractor to thoroughly clean down and retain the existing sashwork and doors.
- Contractor to allow to change 4 no. shopfront entrance locks.
- Small glazed section to left hand side of shopfront to be fitted with Ryman red vinyl and this is to be continued internally to adjacent glazing.

**Rymans Fascia Signage**

- Signage Contractor to allow to install new full width standard red 'Ryman,' signage, bonded to the glass and internally illuminated from the inside of the store.
- Nominated contractor to install red (pantone ref: 485C) powder coated aluminium panels bonded to the glazing with an external projection of approx 50mm. Front panel to be fret cut out to receive the text 'Ryman' and 'stationery' this text will be cut out of a 3mm thick white vinyl sheet and held in position by a 3mm thick clear acrylic applied behind the face panel. The text 'EST 1893' will be fret cut out of white colour vinyl and applied directly to the front panel.
- The Signage manufacturer is responsible for confirmation of all design and construction details together with fixing details.
- Internal illumination to relevant text using white LED.

**Projecting Sign**

- Signage contractor to install projecting sign to the right hand pilaster as shown.
- Projecting sign to consist of folded red (pantone 485 C) powder coated aluminium panels with fret cut inlaid 3mm acrylic letters sleeved over an internal frame.
- Sign to be internally illuminated using white LED.
