Ref: Your letter 2011/6345/T, dated 20 December 2011

Dear Sir/Madam,

In your reference, (attached) you refer to my letter of 08 Dec 2011 seeking permission to reduce the eucalyptus tree at the rear of my back garden by 1/3, which I have been doing every 3 years or so since 2001.

I own this tree which grows about 15 feet in height during this time and I plan to reduce its height by the same amount at some time this year.

Yours Sincerely,

A black rectangular redaction box covering the signature of Captain Anthony Casdagli.

20 December 2011

Dear Sir/Madam

Town and Country Planning Acts 1990 (as amended)  
**ACKNOWLEDGEMENT OF RECEIPT OF NOTICE TO CARRY OUT WORKS TO TREES  
IN A CONSERVATION AREA**

Address:  
**32 Langbourne Avenue**  
London  
N6 6PX

We received your Notification of Intended Works to Tree(s) in a Conservation Area dated 08 December 2011 on 08 December 2011.

We have six weeks from the date of receipt of your letter to consider making a tree preservation order on the tree(s). If you have not heard from the Council by 19 January 2012, you are entitled to carry out the proposed work as long as you do so within two years from the date of your letter and do not do more work on the tree(s) than is set out in your letter.

We will make every effort to inform you of the outcome of your proposal before this date.

It is our policy to notify adjacent occupiers of the proposed works if they involve tree removals.

Where necessary, please ensure that the owner of the tree(s) to which you intend to carry out the proposed works have given their consent before works begin.
