2016/0406/P	Israel Goldman	17 Cannon Place London NW3 1EH	05/04/2016 06:00:05	COMMEMP ER	As the resident owner of the top maisonette in this property I am greatly in favour. The entire project both interior and exterior will greatly enhance the whole building. In addition the new construction of the front entrance will renew the architectural unity of our street.
