2016/0892/P	M Kelly	18 Oakeshott Ave Highgate London N6 6NS	01/04/2016 14:08:23	COMMBOB XI	What is proposed has already been refused and a subsequent enforcement notice served. What is proposed is too bulky, over bearing and out of keeping with all recent dormers. It would be less obtrusive were the proposal for a dormer with a hipped roof. The existing dormer has no hipped roof and this would simply be large and over bearing.
