2016/1295/P	Judith	19 Nassington Road NW3 2TX	11/04/2016 19:32:48	COMMNT	Please ensure that a gap of at least 1 metre is provided for between the proposed extension and the wall between no.19 and no.17 Nassington Rd (as is the case with the extension at no. 19). If the extension is built right up against the wall it would mean that potential burglars could step across from the extension at no.17 to roof terrace at no.19. It would also take the light from the kitchen of the garden flat at no.19.
