2016/1590/P	Daniella	32 Rosslyn Hill Hampstead NW3 1NH NW3 1NH	11/04/2016 19:21:16	SUPPRT	<p>It is a great idea to finally put this beautiful building to use. It was such an eyesore when it was left neglected for such a long time.</p> <p>Renovating it and making it a school keeps the building a part of the Hampstead community. In addition, the new use of the building reinforces Camden in general and Hampstead in particular, as a great neighbourhood for families.</p> <p>The plans look amazing and a good fit for a school for the 21st century while keeping most of the traditional elements of the old police station.</p> <p>I strongly support the application.</p>
