2016/0906/P	C Marcus	24 Mackeson Road	12/04/2016 20:10:56	COMMNT	<p>I am concerned about the creation of the rear terrace with balustrade as it compromises the privacy of resident Jenny Strong whose bedroom is above.</p> <p>Also as we have been refused planning permission for a roof terrace, this sets a precedent for obtrusive balconies to be built with little consultation. It is compromising the look of the back gardens and means that all other neighbours in the area should be entitled to do the same on the houses which would detrimentally change the landscape of the conservation area</p> <p>Again if all neighbours are to change the wooden windows for uPVC windows it will change the nature of a conservation area</p>
