2016/1094/P	Mr & Mrs Janicijevic	7 Modbury Gardens Chalk Farm NW5 3QE	12/04/2016 11:51:51	OBJEMPER	We are the neighbours at 7 Modbury Gardens. We object to this proposal as the lower ground floor proposed works will clearly and significantly obstruct and limit the light to our lower ground floor level. The proposed works would severely enclose our lower ground floor more than it is already. There is only a very limited amount of light at the current time and the proposal would make the situation far worse. The proposed works would distort the terrace at the rear and would have the most significant adverse impact to us at number 7 which must be taken into account and given due and serious consideration.
