

Good morning,

**RE: 9 Arkwright Road, London, NW3 6AB**

Please accept this email as notification that we are planning to remove a cypress hedge on the rear boundary of No 9 in order to accommodate new tree planting and landscaping.

It is in very poor condition and does not warrant retention.

Please advise if you are ok with this.

Works are scheduled for Monday 18<sup>th</sup> April 2016.

Regards,

Edward Radziwillowicz
