2016/1825/P	Michael Leeson	Flat 11 4-10 Tower Street WC2H9NP	18/04/2016 16:30:42	COMMNT	The reasons for my objection to the 2015 appn. (2015/2429/P) still hold - lack of actual social housing where it is needed, developers playing fast and loose by submitting initial plans including social housing which are modified after acceptance, etc. In addition £250,000 is a paltry sum given the prices flats have recently changed hands for in Tower Street.
