Dear Sir/Madam

DECISION

Town and Country Planning Act 1990

Certificate of Lawfulness (Proposed) Granted

The Council hereby certifies that the development described in the First Schedule below, on the land specified in the Second Schedule below, would be lawful within the meaning of Section 192 of the Town and Country Planning Act 1990 as amended.

First Schedule:

Erection of a rear dormer, installation of three rooflights to the front roof slope and two rooflights to the roof of the existing rear outrigger of the dwellinghouse (C3).

Drawing Nos: P01, P02, P03 and Email from Agent dated 19/04/2016.

Second Schedule:

59 Agamemnon Road
London
NW6 1EG

Reason for the Decision:

- 1 The rear roof extension is permitted under Class B of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.
- 2 The three rooflights to the front roof slope and two rooflights to the roof of the existing rear outrigger of the dwellinghouse are permitted under Class C of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.

Informative(s):

- 1 The development would only constitute permitted development if the materials used in any exterior work to the roof extension subject to the grant of this certificate, shall be of similar appearance to those used in the construction of the exterior of the existing dwelling house, in accordance with Condition B.2 of Class B of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.
- 2 You are advised that in order to comply with the parameters of permitted development as set down in the of the Town and Country Planning (General Permitted Development) (England) Order 2015.you must ensure that:-
 - (i) the works do not include the installation, alteration or replacement of a chimney, flue or soil or vent pipe; and
 - (ii) the rooflights on the front roofslope do not protrude more than 150mm beyond the plane of the roofslope
- 3 The development subject to the grant of this certificate, would only constitute permitted development where the edge of the enlargement closest to the eaves of the original roof shall, so far as practicable, be not less than 20 cm from the eaves of the original roof, in accordance with Condition B.2 of the of the Class B of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.
- 4 The development subject to the grant of this certificate would only constitute permitted development if the upper floor window on the side elevation of the dwelling house is obscure-glazed and non-opening, unless the openable parts of the window are more than 1.7m above the floor of the room in which the window is installed} , in accordance with Condition C.2 of Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015.

Notes

1. This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).

2. It certifies that the use*/operations*/matter* specified in the First Schedule taking place on the land described in the Second Schedule was*/would have been* lawful on the specified date and thus, was not*/would not have been* liable to enforcement action under Section 172 of the 1990 Act on that date.
3. This Certificate applies only to the extent of the use*/operations*/matter* described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any use*/operations*/matter* which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.
4. The effect of the Certificate is also qualified by the provision in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations begun, in any of the matters relevant to determining such lawfulness.
