4 April 2016

Dear Sir/ Madam

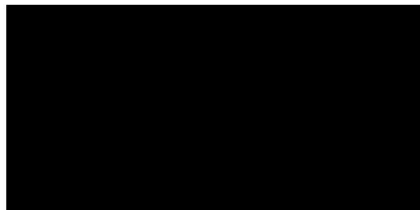

**Retrospective planning application for 12 Buckland Crescent**

Please find enclosed a submission for the painting of the front facade of 12 Buckland Crescent. The applicant was unaware of the requirement to submit a planning application for painting her home in a conservation area.

The application includes drawings showing the elevation, and a design and access statement showing other properties nearby that the applicant has taken reference from in the painting of her home. Please also find attached a note from the applicant explaining the history when her home was painted and also a letter that she sent to the council in November 2015 (along with an original planning application form, although she has recently been informed these were never received).

Do let me know if you need any further information or would like to discuss.

Yours sincerely

Jonty Craig
