2016/0951/P	S R Christy	Flat 5 76 Canfield Gardens London NW6 3ED	20/04/2016 06:22:09	NOBJ	I am a director of the freeholder of 76 Canfield Gardens. The company has approved the proposed alterations and is keen to see them completed as soon as possible.
2016/0951/P	Nicki Tiernan	Flat 2 74 Canfield Gardens London NW6 3ED	19/04/2016 18:10:49	COMMNT	We do not have any problems about the proposed work to Flat 1 and can understand that it is necessary to enhance the living space. However, we are very concerned about the security to neighbouring properties during the building work. We suffered an attempted burglary to our flat during building work carried out by the previous owners. We also hope that the noise and dirt will be controlled. Please can external security to both 76 and 74 be increased going forward and carried out whilst the extension is being built
