2016/1129/P	Clive Portbury	Flat 3 45 regents Park rd Camden	20/04/2016 16:07:44	COMMNT	I am worried that this proposed roof terrace will adversely affect noise levels in this quiet enclave. It will certainly have an affect on the light. It's true that there are already other roof terraces in this mews, but it has already reached saturation point in such a small space. I urge you to reject this application.
