Subject: Objection for application no. 2016/0852/P - Our ref. 1002-2
Date: 15 April 2016 20:23:04

Dear Mr. Cassidy,

Please confirm if you received the following objection, as this does not appear on your website. This was added online on 12.04.16.

On behalf of our Client S. Aspris and Son Ltd., we object to this application on the following grounds:-

- 1. The balconies will cause overlooking and privacy issues to the application ref. 2012/2578/P relating to no.s 17-19 Ferdinand Street.*
- 2. The protruding balconies will affect both the loss of light and out look of the proposed development for application ref. 2012/2578/P. We cannot see any reports on the loss of light in regards to our Client's development.*

We await your response in due course.
Yours sincerely,

George Athanasi
