proposed works not requiring listed building permission
 proposed works requiring listed building permission

Carefully take down suspended ceiling including supporting grid. Remove existing pipework services

Form brickwork opening in brick wall to allow for doorway to dumbwater location

Form structural opening in concrete slab and floor above to create new dumbwater shaft

Proposed DDA Lift not included in this application

Carefully form access panel at low level to provide access to new lift control panel

Existing concrete bench carefully removed to allow for new DDA lift. Bench to be installed in alternative location

Carefully remove 30mm stone floor finish and associated screed to slab level to allow for depth of new lift shallow base
