

01 Seventh Floor : Existing Plan Detail

02 Seventh Floor : Proposed Plan Detail

Notes

Introduction

The application drawings describe the proposed works to the 6th and 7th floors at 200 Gray's Inn Road to the Gough Street elevation, they are:

Scope:

Element 01
The dismantling and relocation of the 6th floor glazing between cores 4 and 5.

Element 02
The extension of the 6th floor offices to increase the internal floor area by 82sqm.

Element 03

The creation of a new 7th floor exterior terrace between cores 4 and 5 to Gough Street.

Materials and Details

All new details are to match the buildings existing language, fenestration/module as well as materials and finishes. The balustrade details and the curtain wall details are all to match the original elements as shown in the drawings.

Heights:

The existing building heights are unchanged and the

6th floor extension is designed using the existing 6th floor datum.

The following drawings show the proposals in detail:

Drawing 11-11J/P1
