2016/1280/P	Paul Irving	46 Chetwynd road Kentish town NW5 1BY NW5 1BY NW5 1BY	22/04/2016 20:15:06	OBJEMAIL	I would like to raise my objections to this planning application on the grounds that it would infringe my privacy. I live at number 46 Chetwynd road which is behind the residence subject to the proposal. The terrace would directly overlook my property and the outside patio which I use in the summer months. I believe my next door neighbour at number 48 Chetwynd road may also raise objections although she is currently recuperating in a residential home in Camden. I have lived at number 46 Chetwynd road for 30 years and at no time do I recall a terrace existing at number 45 Twisden road.
